"I'm a Java Developer with lots of experience. I'm really good at creating solutions that can handle a lot of work, especially using Spring Framework. I've worked on teams to build Java-based web applications. I'm also skilled with databases like MySQL and making websites look good using HTML, CSS, and JavaScript. I love learning new things and staying up-to-date with technology.

PROFESSIONAL EXPERIENCE

Intern Maxgen Technology   FEB2023 –Aug23
